Neighborhood Photo Contest Rules (Ohio Health Improvement Zone Project)

One of the goals for the Ohio Health Improvement Zone (OHIZ) Project is to engage with residents in the community. ZMCHD has done so by working collaboratively with residents living in the Brighton, Eastside, Putnam and West Main areas through surveys and community discussions. Now we would like residents to share photos with us to tell us what you love about your community.

- Due to grant funding requirements, you **must** live in one of the following census tracts to participate.
    - 9114 (West Main)
    - 9119 (Eastside)
    - 9121 (Putnam)
    - 9122 (Brighton)
- You can look up which census tract your address falls into by going to: https://odh.ohio.gov/know-our-programs/health-equity/health-improvement-zones
